Moonlight Canoe Tours:
\$65 per person

Find yourself gliding across silvery waters while a spectacular moon lights your way. Our moonlight canoe tour is a truly peaceful yet exciting experience. No experience is necessary though we do ask participants be ten or older. Tours are on mainly flat calm water. As on all of our canoe tours we provide the canoe, guide and transportation. You power your own canoe however with your paddle power. We offer this unique experience for several days surrounding each full moon from May through September.

Tours include: transportation from Klamath Falls, canoes, life vests, paddles, guide and Marsh Monkey Hot Chocolate.

Tours leave at 8PM and Return at about Midnight. Please call ROE Outfitters at 541.884.3825 for reservations or if you have any questions.
